re the one on first street in Lewes - it is right downtown and you know you have to pay, but it is very con

ng facility amenities. Future parking needs should be projected. Make downtown more friendly for out c

arge scale effort. We need good destinations to drive people to come, reasonable parking options, and

ut ample parking downtown businesses cannot survive. I'm surprised any business relying on walk in cus

the optics of a clean and safe area that makes people want to stay.
